JP4 Ice Fishing Tournament Goes International

Participants from multiple states and two countries will be participating in this weekend's JP4 Ice Fishing Tournament. It appears as if a shared passion for fishing and baseball exists with people in Minnesota, Wisconsin, California, Alberta and Saskatchewan.

There's still time to join! You can compete against anglers from across North America in the JP4 Ice Fishing Tournament presented by [Two Bros Company](#). The tournament is being run through FishDonkey, an app that allows participants to join us from any frozen lake in the world! Once you reel up your fish, snap a quick photo and upload it to FishDonkey. It's easy. The app records the length and sends your fish to the leaderboard!

Thank you to [Shakopee Bowl](#), [Copper Creek](#), [Sup Duudes Outdoors](#), and [REL Fishing](#) for sponsoring this event!

Registration for the tournament closes Friday, February 5th at 7:00PM CST
