So Long 2020!

We want to extend a deeply sincere thank you to everyone who helped us make it through 2020. Confusion and uncertainty gripped all of us early in the year, and as a foundation board, we were equally uncertain about how 2020 would end. I am incredibly humbled when I consider how you – our supporters – so graciously showered us with your time, engagement, financial support, and words of encouragement.

Thanks to you, we were able to provide summer camps with the health and safety of campers at the forefront. With individual equipment, mask wearing coaches, and small groups spread out over a large field, we were able to deliver our camps and provide a positive and healthy experience for kids who otherwise were watching chaos and anxiety unfold daily on screens or in their neighborhoods and homes. I would like to extend a special thank you to the supporters who stopped by to visit with the kids and cheer them on.

Our Johnny Price IV Memorial Golf Tournament was still able to run with a few healthy

changes. Golfers from around the state of Minnesota came out to participate in this fan favorite event, while ensuring to maintain social distancing and choosing to forgo the intimate setting usually held after when golfers, family, and friends share stories of the day or even spend time reminiscing about Johnny. In addition to our golfers, we had a huge outpouring of volunteers and silent auction donors who helped deliver a memorable experience.

As expected, our Camps for Kids Holiday Party looked a little different this year. And even with a virtual party, our foundation supporters showed up in full force. With over 100 people joining us online, the night was capped off with a Fund-A-Need that surprised everyone; co-Host Al Newman offered up to match the first \$5,000 raised for the night! Newman's match was quickly surpassed, and our Fund-A-Need landed well over the \$10,000 mark.

Although COVID still looms in the background, with the backing of Twin Cities Orthopedics, the Twins Community Fund, Cargill, State Farm, and many more great organizations, we will continue to enrich the lives of youth through baseball while ensuring health and safety are at the forefront of all that we do.

Watch for the JP4 Foundation to expand programming and grow during 2021.

Thank you for being by our side!

Jeff Huth
Executive Director

JP4 Foundation Reels in Two Bros Co. as Ice Fishing Tournament Sponsor

On Saturday, February 6th, fishing enthusiasts from across the Midwest will be participating in the JP4 Foundation Ice Fishing Tournament presented by [Two Bros Co.](#) Although the ice fishing tournament will be headquartered on Prior Lake in Minnesota, participation is open to anyone fishing on a frozen lake within the United States.

Due to COVID concerns, participation at tournament headquarters on Prior Lake will be open to a limited number of people. However, people from across the country can participate in the tournament via the FishDonky app. This app allows tournament

participants to catch a fish, snap a quick picture, and release the fish back into the water all while the app automatically updates the leader board.

Don't miss out on this opportunity to get out of the house and enjoy the great outdoors. Click here to register.
