

Just a Pitch and Putt Away

Seven foursomes remain in the morning flight of the [**6th Annual Johnny Price IV Memorial Golf Tournament**](#) presented by [**Twin Cities Orthopedics**](#). We expect to sell-out with a total of 288 golfers, making the Johnny Price IV Memorial Golf Tournament one of the largest charity golf tournaments in Minnesota.

If you are unable to join us for golf, perhaps you will consider joining us as a sponsor. Purchase a company or family hole sponsorship and leave your logo or message for all the golfers to see.

Summer Camps in Full Swing

Our summer-long baseball camps run Monday through Thursday across various locations in the Twin Cities. All camps start with a walk-n-talk where campers check in with their coaches, proceed with some fun baseball drills, and finish up with a life lesson from the [MindStrong Project](#) and a healthy meal. Camps are free for boys and girls to participate in for the entire summer.

Silent Auction Items - Can You Help?

We are still in need of silent auction baskets for our upcoming golf tournament. We are looking for anyone who may be interested in donating time at a cabin or vacation home (off-peak season is just fine), food experiences, cleaning, painting, or any other goods or services. If you have recently launched a side hustle, our silent auction is a great way to introduce your business to a large group of people.

If you can help us with a personal or business donation, please
