Foursomes are Filling Up Fast!

With almost two months to go, the [6th Annual Johnny Price IV Memorial Golf Tournament](#) presented by [Twin Cities Orthopedics](#) is filling up fast. We currently have 17 foursomes open for the 8AM shotgun start and only 11 foursomes remain for the 2PM shotgun start.

Not a golfer, but are still interested in helping? The JP4 Foundation is always looking for companies to sponsor holes or volunteers to work the day of the event. In any case, we would love to have you participate!

Registration for sponsorships and foursomes can be [completed here!](#) We are looking forward to a great turnout and a great fundraiser to expand programming for the JP4 Foundation.

GetWireless Employees Join Forces to Help JP4

[GetWireless](#) employees donated over \$3,000 last month to support the mission and work of the JP4 Foundation. The donation was in response to a LinkedIn post announcing the 6th Annual Johnny Price IV Memorial Golf Tournament. Johnny's former coach, now regional sales manager at GetWireless, Joe Loftus, commented on the post and quickly turned his comment into action.

Summer Camps Offer Summer Employment for College Students

Starting the week of June 21st and running through the week of August 9th the JP4 Foundation is looking for college baseball players looking to make a difference in the lives of youth this summer. Our summer-long baseball camps run Monday through Friday throughout the Minneapolis and St. Paul area.

Coaches will be paid \$20/hour.

These day-camp sessions are 90 minutes in length, but coaches are paid for two hours per session. Choose your own schedule! You decide if you want to work one to five days a week; we simply ask that you commit to your schedule for the full eight-week camp experience.

We would welcome the opportunity to jump on a phone call or grab coffee with anyone interested in this opportunity. Please email, text, or call before Wednesday, June 9th.
