

Thank you so much for being part of the 7th annual Johnny Price IV Memorial Golf Tournament yesterday! Because of your generous support, the JP4 Foundation raised almost \$80,000 to enrich the lives of underserved youth through healthy activity, healthy meals and healthy relationships.

More than 250 of you enjoyed a perfect Minnesota summer day while hearing from one of our amazing coaches, J'Son, about why he chooses to invest in the next generation through his work with the JP4 Foundation.

“Growing up on the east side of St. Paul, I often heard about things that weren’t going to serve me in my future,” he shared. “I wish I would have had access to a resource like the JP4 Foundation to be another voice in my life, showing me another way.”

As I also shared with you yesterday, we have four Twin Cities-area schools on the waiting list to participate in our after-school program, The Diamond Club, this fall. Our goal was to raise \$100,000 from this golf tournament to extend our programming to those four schools. As you can see above, we’ve come up a little short. Please help us create a brighter future for underserved kids in our backyards by donating today. We can’t do it without you.
