## Quotable Quotes from Summer Camp

"Your program is the only time my feet touch the grass. Otherwise, I'm walking the streets or inside my house."

***J, 9th grader from 2022 Capitol Hill Summer Camp***

While our summer camps are well underway and focus on providing a safe place for kids to be kids, we frequently learn of new reasons why our summer camps are such a big hit. With access to healthy meals, healthy relationships, and healthy activities most campers regularly attend week after week and sometimes bring a few friends with them.

"Oh, I know who you guys are... you're the Diamond Club people."

***M, 4th grader from 2022 Conway Rec Center Summer Camp***

Our consistent presence in these neighborhoods is resulting in brand recognition. This summer, we have two camps in the same locations as last year and thanks to new partnerships with various Boys and Girls Clubs across the Twin Cities and Freedom Schools, a nationwide organization, we've added six additional locations. All in all, we will be serving nearly 300 kids with our summer long programming, which will continue through the middle of August.

"My favorite part is seeing coach Markos every week."

***A, 1st grader from Mt. Airy Boys and Girls Club Camp 2022***
