

Be the Change MN Honors JP4

This past Saturday, the JP4 Foundation was honored to be named a beneficiary of proceeds raised at the [Be the Change Golf Tournament](#). The JP4 Foundation was recognized as an organization demonstrating significant impact in the Twin Cities' community. The Be the Change MN Golf Tournament was co-founded by John Baker and Houston White, both high profile leaders from North Minneapolis.

In describing the purpose of the tournament, Baker said, “We decided to help our city by stepping in and throwing this tournament. This tournament is about helping out those smaller nonprofits and starting relationships by getting people together who wouldn’t normally meet.”

The \$10,000 received from this event will be used to bring the Diamond Club, our after-school program to an additional school for the 2022-2023 academic year.
