Thankful for our Give to the Max Day Donors

The JP4 Foundation would like to extend a sincere thank-you to our donors who participated in this year's Give to the Max Day! Thirty-two donors joined in Minnesota's annual Giving Holiday; eight of them live outside of Minnesota! For our friends and supporters in Washington, Wisconsin, Iowa, and sunny Miami, Florida, look us up the next time you're visiting Minnesota; we'd love to give you an opportunity to visit a program session and see first-hand the difference your support is making.

Diamond Club Update

Our first Diamond Club session of the 2022-2023 school year is well underway at two public charter schools located in St. Paul: [Achieve Language Academy](#) and [Urban Academy](#).

The enthusiasm of our mentors and students this year is incredible, and the program is wildly popular with staff and students alike. We have waiting lists in both schools and last week we even had some “additional students” sneak into programming. As one teacher commented, “I don’t know what you guys do there, but the kids like it a lot. I’ve never seen anything like it”. Programming this semester will run until the week of December 12 and will pick up again in January. To learn more about the Diamond Club, visit our webpage at JP4Foundation.org/after-school-diamond-club. To schedule a visit to observe a session in progress, contact our Executive Director, Jeff Huth at 763-242-2125.

"We start each day with a greeting. So far I have learned to shake hands like old people, but I also learned the Milkshake Greeting."

"Night is my favorite coach [mentor] so far. She always asks what I did last week and how I am feeling. It is my favorite to talk with her."
