Good Morning,

I'd like to close this year by sharing my gratitude with you. Whether you showed your support by attending events, following us on social media, volunteering, providing financial support, or simply reading our newsletter, you helped us make a difference in the lives of more than 500 kids.

We saw a lot of good things in 2022. Our logo was featured on Jeffrey Earnhardt's NASCAR, our Foundation was celebrated at a Twins Game and highlighted Tommy Price throwing out the first pitch, we maxed out our summer-long camps serving 300 kids each week and our Diamond Club became a coveted after-school program in our most needy schools.

We have high goals for 2023 which include the creation of an advisory council composed of urban community representatives, the introduction of performance metrics and measurements to assess programming, and continuing with our unparalleled 2:1 student to mentor ratio while increasing the number of children we serve.

In 2023, I am setting out to buy twelve cups of coffee. Coffee with no ask, no check, no fundraising, just time to connect and be curious. Please reach out if you want one of these cups of coffee; I'd love to connect with you.

Best Wishes for a Happy New Year!

Jeff Huth  
Executive Director
