8th Annual Johnny Price IV Memorial Golf Tournament

Attention all golfers! Our afternoon flight is officially sold out! If you missed out on the afternoon, you still have a chance to join us for a morning round of golf. Register now to ensure you don't miss out on this fantastic fun day with your friends, family, and fellow golf enthusiasts.

This year's tournament, presented by Twin Cities Orthopedics, will be held on Monday, August 7th, at the beautiful Legends Golf Club. It promises to be an incredible event you won't want to miss.

One of our long-time supporters of the JP4 Foundation, who is part of a group of 16, eagerly expressed their anticipation for the tournament, saying, "We look forward to this tournament each year! There is a group of 16 of us that are on the lookout for registration to open. We've never won the tournament, but this may be our year."

If golfing isn't your cup of tea, but you still want to be involved, we have a fantastic opportunity for you! Consider becoming a food, beverage, or hole sponsor for the event. It's a wonderful way to show your support for the JP4 Foundation while gaining valuable brand exposure.

JP4's Mentor of the Month

2 of 3

Terrell Fountain has been working as a mentor for the JP4 Foundation for the last year. Working at both schools during the school year and with a full summer schedule, Terrell's bright smile and infectious enthusiasm make him a favorite of many students.

What do you wish more people understood about the mentees you work with?

"That they are good and positive souls. With a little but a lot of life they have experienced. They go through a lot and definitely need positive things around them."

How do you help your mentees cope with challenges?

"I give the positive things about or in life that are good to look at when things are going bad and just let them know people love and care for them and they will overcome the obstacles in front of them."

What are you most proud of?

"I'm most proud of all the hardships I have overcome and how I haven't gone down the wrong path and pretty much stayed on the right track."

Summer-Long Camps Up and Running

The JP4 Foundation is joining the ranks of notable nonprofits in the Twin Cities. This summer, the JP4 Foundation is partnering with the Boys and Girls Club of the Twin Cities to offer summer programming at four club locations for over 120 kids.

But that's not all! In our commitment to expanding our impact, the JP4 Foundation is delighted to announce additional partnerships with the Sanneh Foundation, Freedom Schools, and St. Paul Parks and Recreation. Through these collaborations, we will be able to reach even more children across the Twin Cities, providing them with enriching programming opportunities. We are truly grateful for the support and dedication of our partners and the community. Together, we are making a lasting difference in the lives of children in the Twin Cities.

Stay tuned for more updates and join us in our mission to empower the next generation.

For our Executive Director - 8 of 12 Cups Purchased

In 2023, embarked on a mission to buy twelve cups of coffee. Coffee with no ask, no check, no fundraising, just time to connect and be curious. I invite you to reach out and join me for a cup of coffee; I'd love to connect with you.
