to start Mentor Relief Fund

### Commitment

JP4 mentors are the heartbeat of our organization.

These 30+ amazing young adults who choose to work for us each year are the secret sauce in making our goals and plans come together.

Our foundation has always dreamed of creating a fund to support our mentors when life gets tough. After hearing our story and interacting with the mentors, a local donor made our dream a reality.

Whether it's a dead car battery, help with a deposit on a new apartment, or dealing with one of life's many unexpected challenges, we now have a fund that has made our dream a reality.

*"It's incredibly meaningful to see someone genuinely care about both the efforts we're putting in and, more importantly, the individuals behind those efforts, to make such a generous donation."*

- Jeff Huth, Executive Director
