Golf Tournament

Swing into action and join our dynamic Golf Tournament Committee for a hole-in-one experience! We're looking for enthusiasts and newcomers to help us put together one of the state's biggest tournaments.

Whether you're a seasoned committee pro or just getting into the swing of things, your skills and passion are welcome on our team. We will have an initial in-person kick-off meeting on Thursday, March 20th, followed by hybrid meetings leading up to the tournament. For more information, please contact us at info@JP4Foundation.org

JP4 Earns Platinum Status

[Guidestar.org](https://www.guidestar.org)

We're thrilled to announce that the JP4 Foundation has been awarded the prestigious Platinum Seal of Transparency from GuideStar! This recognition is a true honor and reflects our steadfast commitment to accountability, integrity, and transparency in everything we do.

We're incredibly proud of this achievement and grateful for the continued support that allows us to pursue our mission of creating positive change. Thank you for being part of the JP4 family and joining us on this journey towards a brighter future!

Mentors Attend

Parent Teacher Conferences

Commitment

Three JP4 Mentors attended Achieve Language Academy parent teacher conferences on March 6th and 7th. Thirteen students and their parents stopped by to visit. Parents received a letter from their student's mentor and received our 2023 impact report. Students proudly introduced the mentors to their parents and parents were thrilled to meet the people they hear so much about at home.

A highlight from the conferences occurred when a student excitedly introduced their mentor to their mother, who expressed heartfelt gratitude for the positive impact our team has had on her child's life.

"So you are the ones my son always talks about at home! Thank you for what you do!"
